Description **DEFENCE CONSTRUCTION CANADA (DCC) – KN239913_82729 – Construction of New Watermain Backflow Prevention and Metering Stations – Kingston, Ontario**

As per the terms and conditions of the Open Construction Source List **OR26SLKN**, you are invited to submit a bid for the following project:
Construction of New Watermain Backflow Prevention and Metering Stations - Kingston, Ontario

The work includes, but is not necessarily limited to, the supply of labour, material, supervision and equipment necessary for watermain construction, valves, hydrants, backflow preventers, acid dosing system, site drainage, culverts, access roads, building construction, and associated electrical and mechanical supply and connections.

This project does not contain security requirements.

A site visit will be held on the following date, time and location. It is highly recommended that bidders attend this visit.

Date: Thursday, 23 April, 2026
Time: 10:00 hours, local time
Location: South Area of Apprentice & Artisan Parking Square

NOTE: “Contractors are advised that site photos and measurements are not permitted”.

The estimated cost for this opportunity is in the range of \$5,300,000.00

The *Work* must reach Substantial Completion no later than **637** calendar days after notification of contract award and must be completed no later than **21** calendar days after the date of Substantial Completion.

Even though you have been invited to bid on a project, should your DCC bidding privileges have been suspended and you submit a bid on future DCC projects, said bids will be rejected and no contract will be awarded to said tenderer.

Inquiries relating to this solicitation are to be directed **ONLY** to the DCC Contracting Authority mentioned in this advertisement. Bidders who contact anyone other than the DCC Contracting Authority to obtain clarifications during the solicitation period may, for that reason alone, be disqualified.

Please note that the preliminary tender results for this project will be available on MERX.

Bidders can obtain contract award results from the DCC website at <https://www.dcc-cdc.gc.ca/industry/contract-activity>.

DCC now publicly discloses information on payments made to prime contractors so that subcontractors know when they can expect payment. Information on payments made in the past 90 days on construction contracts over \$100,000, as well as further information regarding DCC's prompt payment commitment, can be obtained from the DCC website at <https://www.dcc-cdc.gc.ca/industry/contract-activity>.
