Description**DEFENCE CONSTRUCTION CANADA (DCC) – TRS19008_82525 – Fire System Replacement, B052 – Trenton, Ontario**

As per the terms and conditions of the Open Construction Source List **OR26SLTR**, you are invited to submit a bid for the following project: **Fire System Replacement, B052 - Trenton, Ontario**

The work includes, but is not necessarily limited to, the supply of labour, material, supervision and equipment necessary for the construction of a new fire pump building including lighting, heating, ventilation, fire alarm, fireprotection, and power. Work also includes the supply and installation of a new fire water storage tank, overhead bridge crane, new water servicing, sanitary servicing, grading and drainage, new fire protection protection system pumps and new comms duct bank to connect building 667 to MH N31.

The resulting Contract will include an Indigenous Benefits Plan (IBP) that aims to provide opportunities for businesses owned and lead by Indigenous People. Canada's free trade agreements pose no impediment to the inclusion of measures for the benefit of Indigenous Peoples and/or businesses in a procurement. Refer to the Tender documents for details.

This project contains security requirements.

The selected contractor will be required to hold a valid Designated Organization Screening (DOS), issued by the Contract Security Program (CSP) within Public Services and Procurement Canada (PSPC). Details concerning the Security Requirements for this project are identified in Amendment No.1 to the tender documents.

A site visit will be held on the following date, time and location. It is highly recommended that bidders attend this visit.

DCC is requesting firms that are planning to join the site visit to **please send a confirmation email** to trcontracting@dcc-cdc.gc.ca.

Date: Wednesday, 08 July, 2026

Time: 11:00 hours, local time

Location: 6 Northstar Dr, Trenton, ON K8V 5P8 (Parking lot)

NOTE: "Contractors to meet at the passenger terminal parking lot and are advised there will be an approximately 1 km walk outdoors. Contractors are advised that site photos and measurements are not permitted".

The estimated cost for this opportunity is in the range of \$6,305,000.00

The *Work* must reach Substantial Completion no later than **428** calendar days after notification of contract award and must be completed no later than **21** calendar days after the date of Substantial Completion.

Even though you have been invited to bid on a project, should your DCC bidding privileges have been suspended and you submit a bid on future DCC projects, said bids will be rejected and no contract will be awarded to said tenderer.

Inquiries relating to this solicitation are to be directed **ONLY** to the DCC Contracting Authority mentioned in this advertisement. Bidders who contact anyone other than the DCC Contracting Authority to obtain clarifications during the solicitation period may, for that reason alone, be disqualified.

Please note that the preliminary tender results for this project will be available on MERX.

Bidders can obtain contract award results from the DCC website at <https://www.dcc-cdc.gc.ca/industry/contract-activity>.

DCC now publicly discloses information on payments made to prime contractors so that subcontractors know when they can expect payment. Information on payments made in the past 90 days on construction contracts over \$100,000, as well as further information regarding DCC's prompt payment commitment, can be obtained from the DCC website at <https://www.dcc-cdc.gc.ca/industry/contract-activity>.
